

# DATAPAC Public Dialports

Version 1.0 - 04/2012

---

**This list of public dialports to the DATAPAC network is meant as an addition to the research contained in *dot-dot-enter: DATAPAC in 2010-2012*. The dialports are organized provincially, and include the full number, location as well as the NUA associated with the PAD where possible. This list is intentioned for historical and educational purposes only.**

## British Columbia

**Sawson Creek**

**250-782-9402**

?

12000/ARQ/V34/LAPM/V42BIS

Note: Unreliable. Also interest to note that British Columbia's DATAPAC prefixes are all inactive, and this was/is the last dialport in the entire province that we could locate. Last tested extensively in November 2011.

## Newfoundland

**St John's**

**709-739-6337**

7810 0579

2400/NONE

## New Brunswick

**Fredericton**

**506-453-1918**

?

?

Note: Unreliable. Last tested extensively in November 2011.

## Nova Scotia

**Halifax**

**902-453-8100**

7650 0227  
2400/NONE

## **Nunavut and the Northwest Territories**

### **Inuvik**

**867-587-8870**

600/NONE

Note: Unreliable. Last tested extensively in November 2011.

### **Cambridge Bay**

**867-777-8870**

Note: Unreliable. Last tested extensively in November 2011.

### **Cambridge Bay**

**867-983-8870**

Note: Unreliable. Last tested extensively in November 2011.
